Project Title: History of Broadway Theatre

I would like to build this page to provide consumers with a general history of New York's Broadway theatre. I think there is more than enough information to spectate the website into multiple pages to provide a general overview and understanding of this specific form of art without getting too specific.

1. Home Page and Introduction

- a. What and where is Broadway
- b. Navigation page for all subsequent pages

2. Early stages of New York's Broadway and Musicals

- a. How did Broadway come about and who started it?
- b. History of musicals and general concept

3. Logistics

- a. Schedule of shows
- b. Producers and show personnel

4. Off- Broadway and Tours

- a. Difference between off-Broadway and Broadway
- b. How to become a Broadway show from Off

5. Effects of COVID-19

- a. Shutdown of all shows
- b. Financial effects of the pandemic

6. Sources

- a. https://en.wikipedia.org/wiki/Broadway_theatre#Between_the_wars
